

+ No cost grant program review

How's your grant program performing?

Now's the time to check

With over 20 years experience administering financial assistance programs and providing advisory services to government agencies, the Queensland Rural and Industry Development Authority (QRIDA) are experts in grant program design and delivery.

We know what works and will improve your grant administration processes across the program life cycle.

Put your program to the test

See how your grant program stacks up with our **no cost grant program review** available to Queensland local government.

We'll review your grant processes in line with relevant best practice in areas including program design, assessments, decision making, contract management and evaluation and provide you with a report on outcomes and potential areas for improvement.

What we do

Analyse - we review your key program documents

Meet - we speak with you (face to face or via teleconference) to discuss your processes

Report - we provide you with outcomes and recommendations to help improve your program delivery

What we'll cover in the review

The assessment will address:

- ✓ Program targeting for maximum impact
- ✓ Grant processing relevant to program scale and risk
- ✓ Process and policy documentation
- ✓ Program readiness for potential audit risk areas
- ✓ Compliance with relevant legislative requirements

What you can achieve from the review

- ✓ Clearer guidelines and policy documents
- ✓ More cost effective and timely application processes
- ✓ Ongoing program evaluations and reporting
- ✓ Better alignment with council strategies and eligibility criteria
- ✓ Audit readiness and legislative compliance
