# **South East Queensland Rainfall and Flooding, 22 February – 5 April 2022**

# 1. About the program

The objective of this assistance measure, provided under the *Disaster Recovery Funding Arrangements*, is to support communities to recover after an *eligible disaster*.

The Extraordinary Disaster Assistance Recovery Grants Scheme (Exceptional) provides an **exceptional circumstances grant** to *non-profit organisations* to help pay for the costs of clean-up and *reinstatement* of organisations that have suffered direct damage as a result of an *eligible disaster*.

# 2. Available funding

- **2.1** The maximum **exceptional circumstances grant** amount is \$50,000.
  - a) An initial amount of up to \$15,000 is available (an initial claim). To support an initial claim, evidence of the direct damage such as photographs, quotations, tax invoices and official receipts is required.
  - b) A **subsequent amount of up to \$35,000** is available (a **subsequent** claim). To support subsequent claims full *evidence of payment* is required. (This evidence must also cover any amounts claimed under the initial claim if not already provided).

Note: multiple applications can be made up to the maximum amount available under the exception circumstances grant.
