

# Disaster Assistance Loans (Essential Working Capital) Guidelines Primary Producers

## 1. About the program

The objective of this assistance measure, provided under the *Disaster Recovery Funding Arrangements*, is to support communities to recover after an *eligible disaster*.

The Essential Working Capital Loans Scheme provides concessional loans to *primary producers* who have suffered a significant loss of income as a result of an *eligible disaster*.

Loans are provided for continuing the normal operations of the *primary production enterprise*.

## 2. Available funding

### 2.1 The maximum loan amount is \$100,000; and

- a) the amount available is based on an assessment of an applicant's financial position, including any amount recovered under an insurance policy; and
- b) cannot be more than the amount of *essential working capital* reasonably required.

## 3. How funding may be used

### 3.1 Loan funds provided are to be used as *essential working capital*, this includes:

- a) paying salaries or wages;
- b) paying creditors;
- c) paying rent or rates;
- d) buying goods, for example – fuel essential to carry-on the *primary production enterprise*;
- e) buying fodder or water for livestock or produce;
- f) transporting livestock or produce.

### 3.2 Loan funds are not provided to:

- a) compensate for loss of income suffered as a result of the disaster; or
- b) provide assistance relating to direct damage suffered as a result of the disaster.

## 4. Eligibility criteria

### 4.1 To be eligible for a loan:

- a) the applicant must be a *primary producer*;
- b) before the *eligible disaster*, the applicant carried on a *primary production enterprise* in the *defined disaster area*;
- c) the applicant has suffered a significant loss of income as a result of the *eligible disaster*.

**4.2** To be eligible applicants must also:

- a) provide adequate security and loans must be secured by:
  - i. a mortgage of land and other assets satisfactory to QRIDA; and
  - ii. any other security considered necessary, for example – a Specific Security Agreement over plant and machinery, crops, livestock or a General Securities Agreement
- b) continue to carry on the *primary production enterprise* in the *defined disaster area*;
- c) have reasonable prospects for carrying on the *primary production enterprise* on a viable basis with the assistance given;
- d) have used all liquid assets and all normal credit sources up to normal credit limits (this will be assessed in relation to the expected cost of recovery and projected cash flow shortfalls);
- e) have no reasonable prospects of obtaining commercial finance to carry on the enterprise;
- f) have not received another concessional loan for loss or damage that was related to the *eligible disaster*;
- g) have not taken excessive risks in carrying on the *primary production enterprise*.

## 5. Interest rates and loan terms

**5.1** The term of the loan is decided by QRIDA up to a maximum of ten years.

**5.2** An interest only period of up to two years may be granted.

**5.3** The initial annual interest rates for these concessional loans are:

Rate	<i>Eligible disaster</i>
1.69%	Northern and Central Queensland Monsoon and Flooding , 20 December 22 – 30 April 2023
0.80%	Southern Queensland Flooding, 6 May - 20 May 2022
0.80%	Northern and Central Western Queensland Rainfall and Flooding event 21 April – 12 May 2022
0.80%	South East Queensland Rainfall and Flooding, 22 February – 7 March 2022
0.80%	Ex-Tropical Cyclone Seth, 29 December 2021 – 10 January 2022
0.80%	Central, Southern and Western Queensland Rainfall and Flooding, 10 November - 3 December 2021

## 6. How to apply

**6.1** To be considered for a loan please submit a completed application form, accompanied by the documentation stated on the application form.

**6.2** Application forms and related information can be accessed at [www.qrida.qld.gov.au](http://www.qrida.qld.gov.au).

**6.3** Complete applications are assessed in order of receipt and QRIDA may request further information to help assess an application.

## 7. Terms and conditions

**7.1** Loans given are subject to an annual review and the necessary financial information must be provided when requested each year by QRIDA.

**7.2** If QRIDA considers an applicant's financial position has improved, it may increase the interest rate up to a commercial rate.

**7.3** Loan recipients must provide *evidence of expenditure* in relation to amounts drawn against the loan when requested by QRIDA.

**7.4** Penalties apply, including call-up of the loan provided apply where false or misleading information is provided.

## 8. Conflicts of interest

**8.1** A conflict of interest may arise due to a business dealing with QRIDA, if the applicant's private interests' conflict with their obligations under the agreement. Conflicts of interest could affect the awarding or performance of the applicant's agreement. A conflict of interest can be:

- a) real (or actual);
- b) apparent (or perceived); or
- c) potential.

**8.2** QRIDA will ask the applicant to declare, as part of the application, any business dealings that may be considered an actual, perceived or potential conflict of interest or that, to the best of the applicant's knowledge, there is no conflict of interest. If the applicant later identifies that there is an actual, apparent or potential conflict of interest or that one might arise in relation to the agreement, the applicant must inform QRIDA in writing immediately.

## 11. Definitions

**Defined disaster area** for an *eligible disaster* means the area that the appropriate Minister has defined for the purpose of activating the *Disaster Recovery Funding Arrangements*. These are published on QRIDA's website (also see section 9 above).

**Disaster Recovery Funding Arrangements** means the funding arrangements as agreed between the Commonwealth and the State for providing financial assistance to communities affected by an *eligible disaster* (available on the Australian Government Disaster Assist website).

**Eligible disaster** means a bushfire, cyclone, flood, earthquake, storm surge, landslide, meteorite strike, tornado, tsunami, storm – including hail, rain and/or wind event or terrorist act.

**Essential working capital** means, money that is necessary to continue the normal operations of the *primary production enterprise* for up to one year.

**Evidence of expenditure** means a tax invoice showing full details of goods or services (identifiable as relating to damage from the *eligible disaster*) and the corresponding official receipt. The relevant cheque butt or bank transfer documentation is required if unable to provide an official receipt.

**Primary producer** means

- a) a sole trader who spends the majority of their labour on, and derives the majority of their income from a *primary production enterprise*; or
- b) in relation to a partnership, company or trust that carries on a *primary production enterprise*, the partners in the partnership, shareholders in the company or beneficiaries of the trust who spend the majority of their labour on, and derive the majority of their income from, the *primary production enterprise*.

**Primary production enterprise** means a business that is carried on by a *primary producer* and involves primary production, including the agricultural, apicultural, aqua-cultural, commercial wild-catch fishing, forestry, grazing and horticultural industries.
