Application tips for primary production
businesses

Overview

This document provides detailed guidance on the correct documentation required to submit your Disaster Assistance Recovery Grant application.

It is recommended that you read through this guide prior to completing your application to ensure you submit all relevant documents required. If you require additional assistance with your application please call QRIDA on **1800 623 946** or email contact_us@qrda.qld.gov.au.

1. Include photographs of the damage with your application

You will need to include 5 - 10 photographs showing direct damage to the affected property.

Please ensure your photos are:

- high quality and clear (blurry/poor quality images are not acceptable)
- uniquely named with no more than 100 characters in the file name
- in JPEG format with [embedded metadata](#) (DO NOT submit images as PDFs or any other formats)
- a variety of close-up and distant images as well as horizontal and portrait images.

Examples of photographs that can be included in your application:

- erosion of roads, driveways, culverts, drains and crossings
- lost or damaged crops
- dead livestock
- inundation of paddocks and sheds
- damaged tools, machinery or infrastructure.

Examples:

2. Include copies of your financial statements with your application

To be eligible for disaster recovery assistance, you must be able to demonstrate that you currently, or potentially could, derive a majority of your income from the primary production enterprise.

Full detailed financial statements (individual/company/trust tax returns) showing your primary production and non-primary production income can be used to demonstrate this. Proof of taxable income and notice of assessments **ARE NOT** acceptable documents.
