1. About the program

The objective of this assistance measure, provided under the *Disaster Recovery Funding Arrangements*, is to support communities to recover after an *eligible disaster*.

The **Special Disaster Assistance Recovery Grants Scheme** (Extraordinary) provides an **exceptional circumstances grant** to *primary producers* to help pay for the costs of clean-up and *reinstatement* of *primary production enterprises* that have suffered direct damage as a result of an *eligible disaster*.

2. Available funding

2.1 The maximum **exceptional circumstances grant** amount is **\$75,000**.

2.2 An **initial amount** of up to **\$10,000** is available (an **initial claim**). To support an initial claim evidence of the direct damage such as photographs, quotations, tax invoices and official receipts is required.

2.3 A **subsequent amount** of up to **\$65,000** is available (a **subsequent claim**). To support subsequent claims full evidence of payment is required. (This evidence must also cover any amounts claimed under the initial claim if not already provided).

Note: **Prior to the Closing Day**, multiple applications can be made up to the maximum amount available under the exceptional circumstances grant.
