**Section 6 - Employment details**

**Number of existing employees in the business** **Full time** **Full time equivalent\***

Number of **existing** employees (crew) (including owners, partners, directors, etc.)

After completion of project, number of proposed **additional** employees (crew) (if applicable)

Please detail: Is there a skipper? How many deck hands? What is the experience of crew:

**\*Calculating Full Time Equivalent**

Full time work is 35 hours per week or more. If your business has casual or part time workers, calculate the number of hours worked by these employees and divide that total by 35 to determine full time equivalents. (For example, seven casual employees working 10 hours per week totalling 70 hours per week, equates to two full time employees).
